Date:	Time:	Activity (storyboarding, looking for locations, etc)

This pre-production schedule is important because you need to leave at least 3 lessons for filming and 4 lessons for editing and 1 lesson to view all of your finished ads.

Include in your schedule: storyboarding, writing pro-production schedule, filming schedule, finding locations – if necessary, creating production plan. How will you work smart – divide the tasks amongst your group. Remember there are no more than 3 in a group.
